

YARMOUTH TOWN LIBRARIES CIRCULATION POLICY

Library Registration

Proper identification is required when applying for a library card. Proper identification includes: picture ID, driver's license, or a mailing that shows proper name and address if accompanied by another form of identification.

Lost or Damaged Materials

A patron is required to pay for lost or damaged library materials (beyond reasonable wear). The charge for a lost book will be the current cost of replacement. You may purchase a replacement of an item, provided it is the same edition, typically recognized by the International Standard Book Number (ISBN).

Borrowing Limits

The Library reserves the right to limit the number of items on a single subject that may be taken out by any one person at a time.

Children

Children of any age, with approval of a responsible caregiver, are eligible for a Yarmouth Town Libraries library card.
