## **TEEN ROOM POLICY**

The Yarmouth Library provides access to materials, resources, and professional guidance to meet the intellectual, educational, and recreational needs of library users who are teens. According to the Young Adult Library Services Association (YALSA), a division of the American Library Association, the designation of “teens” includes young people who are 12 to 18 years of age.

Other than legal guardians, those who are not in this age group are prohibited from being in the Teen Room.

The library offers many programs and services that encourage teens to develop an appreciation of the library, books, reading, and learning.

The library strives to create a safe and inviting environment for its teen visitors.
